

Full Time Research Associate with SISCO

We are looking for a passionate and qualified Full Time Research Associate to join our team at Sisco & Associates Consulting Services (SISCO: siscoconsulting.ca):

Our ideal candidate has a post-secondary education, and is interested (and has some experience) in researching with First Nations communities and organizations. The position is remote and flexible (30-35 hours a week), offering \$50,000-70,000 in salary depending on skills and experience, as well as extended group health benefits, 5% annual bonus, and 5% RSP /TFSA matching program.

Position is open until filled, apply today by sending your resume to alisha@siscoconsulting.ca

Part Time Youth Community Research Assistants with SISCO

We are looking for six Part Time Youth Community Research Assistants (June-August 2022, with the possibility of renewal) to join our team at Sisco & Associates Consulting Services (SISCO):

The Research Assistant contracts are primarily focused on supporting a community-based project through Southern First Nations Secretariat (SFNS). Therefore, we are hiring one (1) position from each of the following member First Nations:

1. Aamjiwnaang First Nation
2. Chippewas of the Thames First Nation
3. Chippewas of the Kettle & Stony Point First Nation
4. Eelünaapéewi Lahkéewiit (Delaware Nation)
5. Munsee-Delaware Nation
6. Oneida Nation of the Thames

Position is open until filled, apply today by sending your resume to alisha@siscoconsulting.ca
